Firm Investments - Activity

In this activity you are to duplicate the page below using advanced selectors and no IDs or classes. **The page width will be 100% of the browser window.** Note: You will not need to style the table for this week's assignment.

Files and folders provided are:

- images folder
    - O6935FRH.jpg
    - Bullet.gif
    - Logo_grey.gif
- styles folder
    - normalize.css
- advSelectors.html
- FirmInvest-Activity_Directinos.pdf (these directions)

Colors used:

- Navigation bar, table header and footer use: cadetblue or #5f9ea0
- Firm Investments text in navigation bar use: oldlace or #fdf55e6
- Text for navigation use:
  - Beige or #f5f5dc
  - On hover use: khaki or #f0e68c
- Borders around content and borders used in the table: lightgray or #d3d3d3
- *h2* headers use: saddlebrown or #8b4513

Fonts:

- Select an appropriate serif Google web font for:
  - the 'Firm Investments' in the navigation bar, as well as,
  - the *h2* headers.
- Select an appropriate sans serif Google web font for:
  - all other text.

Directions:

Style Sheet:

- Create an eternal style sheet.
  - Only add links to attached external code to the HTML file.
    - Do not add any other code beyond links to the HTML file.
    - Do not add any classes or IDs to the HTML to make this work.
    - Do not use embedded or inline styles.

Navigation bar:

- Design the navigation bar to appear as shown in the image on page 1 of these directions.
  - Hint: You will need to adjust the width of some of the line items (*li*) to provide even spacing of the navigation text.

Header image:

- The image is already added to the HTML page. Design the page to appear as the image on page 1 of these directions.

NOTE: Remember, do not change the HTML or add any classes or IDs to the HTML or use embedded or inline styles to make this work.

Content area (Knowledge, Service and Results areas):

- Add the border around the 2 content areas.
    - Add a slightly rounded corner to the borders.
- Position and style the 2 content areas as shown on page 1 of these directions.
- No need to style the table for this assignment.

Footer:

- Design the footer to appear as shown on page 1 of these directions.

Before submitting:

- Validate the HTML and CSS. Make corrections as needed.

Submission:

- Save your work.
- Create a video explaining the advanced selectors you used in this activity and show how the page displays in a browser window.
- Submit the video in Blackboard under the 'Activity: Advanced Selectors (Firm Investments)' area.

Contact the Instructor if you have any questions.
